

GoToMeeting Apps for the iPad & iPhone

Key benefits

- Increases mobility and convenience
- Easy-to-use, intuitive features
- Works on your preferred device
- Free for meeting attendees
- Brings HD video conferencing to the iPad

Increase your mobility by attending GoToMeeting sessions on your iPad or iPhone. GoToMeeting is the easiest and most convenient way to attend online meetings – and now you can take it to go! Download a free app from the App Store and join meetings in seconds.

The GoToMeeting apps make online meetings more accessible than ever. Anywhere you take your iPad or iPhone, you can now attend GoToMeeting sessions – at a café, in a hotel, wherever you happen to be.

With a free GoToMeeting app, you can:

- Attend GoToMeeting and GoToWebinar sessions from anywhere.
- Join meetings in seconds by tapping a link in an email.
- View presentations, mockups and reports – whatever the presenter shares on-screen.
- Collaborate in HDFaces high-definition video on iPad.
- Connect to audio through your device's built-in mic & speakers or dial in over the phone.
- Pinch to zoom meeting content.
- Switch between portrait and landscape.
- See who's presenting, who's talking and a list of who's attending.

Say hello to mobile collaboration

Your iPad or iPhone is the perfect venue for attending GoToMeeting sessions when you're away from your desktop. Its lightweight, user-friendly design makes it extremely portable and comfortable to use, so you can easily collaborate on the go. View and discuss slide presentations, project designs and important documents from the convenience of your mobile device.

FAQs

Download the free apps

Visit the App Store to download the free GoToMeeting applications.

1. How much do the apps cost?

Nothing. The GoToMeeting apps are offered free of charge.

2. Can I host a meeting on my iPad or iPhone?

The apps are currently just for attending online meetings.

3. How do I get meeting audio on my iPad or iPhone without calling in?

Voice over Internet Protocol (VoIP) lets you join the call through your device's mic and speakers or by plugging in a headset. For best audio quality, use a WiFi connection.

4. Can I chat, draw, present and share keyboard and mouse control?

Currently, GoToMeeting attendees on the iPad or iPhone can only view meeting content and interact on the audio line.

5. How do I set up my own meetings with GoToMeeting?

Sign up at www.gotomeeting.com to try it free for 30 days on your Mac or PC.
