

Make the meeting. Close the deal.

Easily set up meetings with your leads, contacts or opportunities.

Two powerful sales tools, both trusted by millions. It's the perfect combination.

GoToMeeting for Salesforce brings simple, professional online meetings to the leading CRM platform. Quickly start or schedule a session right from Salesforce, and GoToMeeting automatically sends out the invites. Once on the call, take advantage of screen sharing, video conferencing and more to grab interest and get the sale.

It's just one of the reasons why our customers report they close deals over 20% faster with GoToMeeting than with other solutions.

Meet easily

Set up online meetings from any Lead, Contact or Opportunity page within Salesforce.

Look your best

Show your presentation and meet face to face with prospects through screen sharing and HD video conferencing.

Sell smarter

Cut down on duplicate effort by managing your sales meetings through one tool.

Keep clear records

Let Salesforce automatically track your meeting history, including date, duration and attendee list.
